Chapter News

The **Mid America Chapter** held its July meeting at Western Sizzlin' in Grandview, MO. There were 32 present with two Falcons driven to the meeting. We would like to thank everyone for coming to our Regional Meet in June and making it a success. There were 29 cars registered. Too bad there weren't more of you there because we had trophies left over. We want to thank Roy Sword for being our guest speaker at the banquet. Cars from Florida, Texas, Colorado, and St. Louis plus our local members from Kansas and Missouri were registered. We hope everyone had a good time. Several members are making plans to attend the Nationals in Knoxville, TN. Regular monthly meetings are held the first Friday of each month. Because of the Labor Day holiday, September's meeting will be held September 10, 1993 at Cattleman's Bar-B-Q in Louisburg, KS.

Participation by the **Mason Dixon Chapter** in the Sully Plantation Antique Car Show was one of the highlights of the year. We had 13 beautiful Falcons on display this year — a 1963 Sprint convertible, three 1963 convertibles, a 1966 Ranchero, a 1961 and 1 1965 sedan, two 1964 convertibles, a 1964 Sprint hardtop, a 1964 Futura hardtop, a 1965 convertible and a 1965 hardtop. Several folks stopped by our info desk to talk Falcons — two new persons signed on with our chapter. A special thanks to Claire, Bob and Bill for manning the info desk. We also held our summer picnic at Patapsco State Park. Thank you Libby Wilson for suggesting such a great site, especially since you then set it all up, too! It was a beautiful day, and we had a lot of delicious food. Twenty members/guests and friends filled our little pavillion with a lot of Falcon talk. We signed up two new members. Thanks to everyone for sharing your day with us.

Colorado's **Mile Hi Chapter** is really growing and has now reached 66 families. We have had a lot of activities to attend the last few months including a tour of the new Denver International Airport in which 60 people participated. Following that we caravanned down to the North American Air Defense Command facility (more commonly known as NORAD) inside Cheyenne Mountain. Our annual summer picnic was very well attended, and the cars attracted a lot of attention. We just completed sponsoring our first annual "All American Compact Car Show" where we had 53 cars participating, and also had a concession and bake sale with the help of the women in our chapter; we gained several new members during the day! Nine cars just did the Buffalo Bill's Parade in Golden, CO. Several of our members will be attending the nationals — some flying and some driving. In September we will be having a caravan trip over Trail Ridge Road in Rocky Mountain National Park and another caravan down to the Air Force Academy for Sunday brunch and our "Skill Driving Challenge" — both have turned out to be annual fun events for the club.

To Advertise:

FCA members are entitled to two free ads per issue (limit 50 words per ad). Each ad must appear in a difference section of the Classified Ads. Ads to be run in more than one issue must be resubmitted each month.

Commercial ads will be accepted on a space available basis. All copy for commercial ads must be camera-ready. Commercial ad rates (per month) are: Full page — \$50.00; Half page — \$30.00; Quarter page — \$20.00; Quarter page photo ad — \$15.00 for members, \$25.00 for nonmembers.

All ads should be sent to the editor. Payment must accompany the ad, with the check or money order payable to the Falcon Club of America.
